"Since we started using Soup Sisters soup, there have only been compliments (on the food). And it's because it's delicious like someone's grandmother made it."

200,000+ lbs to 40 agencies

The Soup Sisters Soup Bank was developed to respond to the community's needs at the start of the pandemic. This production cost model has proven to be a success in cities across the country and has become a staple program for our organization.

15 years & 4 million Hugs in a Bowl

Soup Sisters is a non-profit charitable organization dedicated to providing highly nourishing, quality, well-balanced donations of soup to agencies and shelters Canada-wide. Whether it is a local soup-making event or orders from the Soup Bank, thousands of litres of soup are intentionally and cost-effectively created every year for front-line organizations supporting those in need.
